ORDER RELATING TO FLOWSERVE HAMBURG GMBH

The Bureau of Industry and Security, U.S. Department of Commerce (“BIS”), has notified Flowserve Hamburg GmbH (“Flowserve Germany”) of its intention to initiate an administrative proceeding against Flowserve Germany pursuant to Section 766.3 of the Export Administration Regulations (the “Regulations”),¹ and Section 13(c) of the Export Administration Act of 1979, as amended (the “Act”),² through the issuance of a Proposed Charging Letter to Flowserve Germany that alleged that Flowserve Germany committed 16 violations of the Regulations. Specifically, these charges are:

Charges 1- 7 15 C.F.R. 764.2(b): Causing, Aiding or Abetting Unlicensed Exports to Iran without the Required U.S. Government Authorization

On seven occasions between on or about August 31, 2003 and on or about January 13, 2006, Flowserve Germany caused, aided or abetted the doing of an act prohibited by the Regulations.

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2011). The charged violations occurred between 2003 and 2006. The Regulations governing the violations at issue are found in the 2003-2006 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2003-2006)). The 2011 Regulations set forth the procedures that apply to this matter.

² 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R. 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 12, 2011 (76 Fed. Reg. 50,661 (Aug. 16, 2011)), continues the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. § 1701, *et seq.*).

Specifically, Flowserve Germany ordered pump and pump components, items subject to the Regulations and the Iranian Transactions Regulations (“ITR”),³ designated EAR99,⁴ and valued at approximately \$138,000, from the United States for transshipment through Germany to Iran. Once the items arrived in Germany, Flowserve Germany arranged for their transshipment to Iran. Pursuant to Section 560.204 of the ITR, maintained by the Department of the Treasury’s Office of Foreign Assets Control (“OFAC”), an export to a third country intended for transshipment to Iran is a transaction subject to the ITR and requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. No OFAC authorization was obtained for the exports described herein. In so doing, Flowserve Germany committed seven violations of Section 764.2(b) of the Regulations.

Charges 8-16 15 C.F.R. § 764.2(a) - Engaging in Prohibited Conduct by Reexporting Pumps and Pump Components to Syria without the Required Government Authorization

On nine occasions between on or about July 23, 2004 and on or about June 28, 2006, Flowserve Germany engaged in conduct prohibited by the Regulations by reexporting pumps and pump components, items subject to the Regulations, designated EAR99, and valued at approximately \$464,000, from Germany to Syria. Pursuant to General Order No. 2 of May 14, 2004, set forth in Supplement No. 1 to Part 736 of the Regulations, authorization was required from BIS before the pumps, pump components and spare parts could be re-exported to Syria. No such authorization was obtained for the re-exports described herein. In so doing, Flowserve Germany committed nine violations of Section 764.2(a) of the Regulations.

WHEREAS, BIS and Flowserve Germany have entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations, whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein; and

WHEREAS, I have approved of the terms of such Settlement Agreement;

IT IS THEREFORE ORDERED:

FIRST, Flowserve Germany shall be assessed a civil penalty in the amount of \$125,000, which shall be paid to the U.S. Department of Commerce within 30 days of the date of this Order. Payment shall be made in the manner specified in the attached instructions.

³ 31 C.F.R. § 560 (2003-2006).

⁴ EAR99 is a designation for items subject to the Regulations, but not listed on the Commerce Control List. 15 C.F.R. § 734.3(c) (2003-2006).

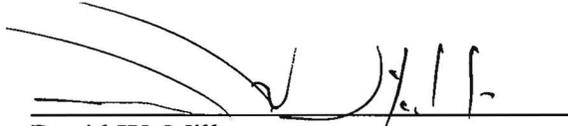

SECOND, that, pursuant to the Debt Collection Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (2000)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice, and if payment is not made by the due date specified herein, Flowserve Germany will be assessed, in addition to the full amount of the civil penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

THIRD, Flowserve Germany shall complete an external audit of its export controls compliance program, as set forth in this paragraph. Flowserve Germany shall hire an unaffiliated third party consultant with expertise in U.S. export control laws to conduct the external audit of its compliance with U.S. export control laws (including recordkeeping requirements), with respect to all exports or re-exports that are subject to the Regulations. The results of the audit, including any relevant supporting materials, shall be submitted to the Department of Commerce, Bureau of Industry and Security, Office of Export Enforcement, 525 South Griffin Street, Room 622, Dallas, TX 75202 (“BIS Dallas Field Office”). The audit shall cover the 12-month period beginning on the date of this Order, and the related report shall be due to the BIS Dallas Field Office no later than nineteen (19) months from the date of this Order. Said audit shall be in substantial compliance with the EMS sample audit module, and shall include an assessment of Flowserve Germany’s compliance with the Regulations. The EMS sample audit module is available on the BIS web site at http://www.bis.doc.gov/complianceand enforcement/ revised_emcp_audit.pdf. In addition, where said audit identifies actual or potential violations of the Regulations, Flowserve Germany must promptly provide copies of the pertinent air waybills and other export control documents and supporting documentation to the BIS Dallas Field Office.

FOURTH, that the full and timely payment of the civil penalty in accordance with the payment schedule set forth above, and the timely completion and submission of the results of the audit set forth above, are hereby made conditions to the granting, restoration, or continuing validity of any export license, license exception, permission, or privilege granted, or to be granted, to Flowserve Germany. Accordingly, if Flowserve Germany should fail to pay the civil penalty in full or in a timely manner or fail to complete and submit the results of the audit in a timely manner, the undersigned may issue an Order denying all of Flowserve Germany's export privileges under the Regulations for a period of one year from, respectively, the date the penalty payment is due or the date by which the results of the completed audit are to be submitted.

FIFTH, that the Proposed Charging Letter, the Settlement Agreement, and this Order shall be made available to the public.

This Order, which constitutes the final agency action in this matter, is effective immediately.

WHEREAS, Flowserve Germany filed a voluntary self-disclosure with BIS's Office of Export Enforcement;

WHEREAS, Flowserve Germany has reviewed the Proposed Charging Letter and is aware of the allegations made against it and the administrative sanctions which could be imposed against it if the allegations are found to be true;

WHEREAS, Flowserve Germany fully understands the terms of this Agreement and the Order ("Order") that the Assistant Secretary of Commerce for Export Enforcement will issue if he approves this Agreement as the final resolution of this matter;

WHEREAS, Flowserve Germany wishes to settle and dispose of all matters alleged in the Proposed Charging Letter by entering into this Agreement; and

WHEREAS, Flowserve Germany agrees to be bound by the Order, if issued;

NOW THEREFORE, the Parties hereby agree as follows:

1. BIS has jurisdiction under the Regulations in connection with the matters alleged in the Proposed Charging Letter.

2. The following sanctions shall be imposed against Flowserve Germany in complete settlement of the alleged violations of the Regulations relating to the transactions specifically detailed in the Proposed Charging Letter:

a. Flowserve Germany shall be assessed a civil penalty in the amount of \$125,000, the payment of which shall be made to the U.S. Department of Commerce within 30 days of the date of the Order. Payment shall be made in the manner specified in the attached instructions.

b. Flowserve Germany shall complete an external audit of its export controls compliance program. Flowserve Germany shall hire an unaffiliated third party consultant with expertise in U.S. export control laws to conduct the external audit of its compliance with U.S. export control laws (including recordkeeping requirements), with respect to all exports or re-exports that are subject to the Regulations. The EMS sample audit module is available on the BIS web site at http://www.bis.doc.gov/complianceandenforcement/revised_emcp_audit.pdf. The full and timely payment of the civil penalty agreed to in paragraph 2.a, above, and the timely completion and submission of the results of the audit agreed to in paragraph 2.b, above, are hereby made conditions to the granting, restoration, or continuing validity of any export license, permission, or privilege granted, or to be granted, to Flowserve Germany. Failure to make full or timely payment of the civil penalty set forth above may result in the denial of all of Flowserve Germany's export privileges for a period of one year from the date the penalty payment is due. Failure to complete and submit the results of the audit agreed to in paragraph 2.b, above, within the deadline established in that paragraph also may result in the denial of all of Flowserve Germany's export privileges for a period of one year from the date on which the results of the completed audit are to be submitted.

3. Subject to the approval of this Agreement pursuant to paragraph 8 hereof, Flowserve Germany hereby waives all rights to further procedural steps in this matter (except with respect to any alleged violations of this Agreement or the Order, if issued), including, without limitation, any right to: (a) an administrative hearing regarding the allegations in any charging letter; (b) request a refund of any civil penalty paid pursuant to this Agreement and the Order, if entered; and (c) seek judicial review or otherwise contest the validity of this Agreement or the Order, if issued. Flowserve Germany also waives and will not assert any Statute of Limitations defense, and the Statute of Limitations will be tolled, for the time period from the date of the Order, if issued, until the later of the date Flowserve Germany pays in full the civil penalty agreed to in Paragraph 2.a of this Agreement or the date Flowserve Germany submits the results of

4. BIS agrees that upon full and timely payment of the civil penalty as set forth in Paragraph 2.a above, and timely completion and submission of the results of the audit as set forth in Paragraph 2.b above, BIS will not initiate any further administrative proceedings against Flowserve Germany in connection with any violation of the Act or the Regulations arising out of the transactions specifically detailed in the voluntary self-disclosure and the Proposed Charging Letter.

5. BIS will make the Proposed Charging Letter, this Agreement, and the Order, if issued, available to the public.

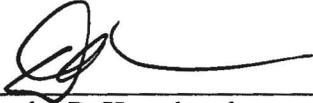

6. This Agreement is for settlement purposes only. Therefore, if this Agreement is not accepted and the Order is not issued by the Assistant Secretary of Commerce for Export Enforcement pursuant to Section 766.18(a) of the Regulations, no Party may use this Agreement in any administrative or judicial proceeding and the Parties shall not be bound by the terms contained in this Agreement in any subsequent administrative or judicial proceeding.

7. 8. This Agreement shall become binding on the Parties only if the Assistant Secretary of Commerce for Export Enforcement approves it by issuing the Order, which will have the same force and effect as a decision and order issued after a full administrative hearing on the record.

9. Each signatory affirms that he has authority to enter into this Settlement Agreement and to bind his respective party to the terms and conditions set forth herein.

Charges 1- 7 15 C.F.R. 764.2(b): Causing, Aiding or Abetting Unlicensed Exports to Iran without the Required U.S. Government Authorization

As described in greater detail in the attached Schedule of Violations, which is incorporated herein by reference, on seven occasions between on or about August 31, 2003 and on or about January 13, 2006, Flowserve Germany caused, aided or abetted the doing of an act prohibited by the Regulations.
