ORDER RELATING TO  
ERICSSON DE PANAMA S.A.

The Bureau of Industry and Security, U.S. Department of Commerce (“BIS”), has notified Ericsson de Panama S.A., of Panama City, Panama (“Ericsson de Panama”), of its intention to initiate an administrative proceeding against Ericsson de Panama pursuant to Section 766.3 of the Export Administration Regulations (the “Regulations”),<sup>1</sup> and Section 13(c) of the Export Administration Act of 1979, as amended (the “Act”),<sup>2</sup> through the issuance of a Proposed Charging Letter to Ericsson de Panama that alleges that Ericsson de Panama committed 262 violations of the Regulations. Specifically, the charges are:

---

<sup>1</sup> The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2011). The charged violations occurred in 2004-2007. The Regulations governing the violations at issue are found in the 2004-2007 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774). The 2011 Regulations set forth the procedures that apply to this matter.

<sup>2</sup> 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 12, 2011 (76 Fed. Reg. 50,661 (Aug. 16, 2011)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. § 1701, *et seq.*).

**Charges 1 - 138      15 C.F.R. § 764.2(h) – Evasion**

On 138 occasions between on or about January 7, 2004 through on or about December 11, 2006, Ericsson de Panama took action with the intent to evade the Regulations. On each of these occasions, Ericsson de Panama implemented a scheme that it had developed to bring about the export from the United States to Cuba of items subject to the Regulations. Ericsson de Panama knew that exports from the United States to Cuba were unlawful because it had been informed by its parent company of the embargo placed on Cuba by the United States, and was instructed that no Ericsson employee in the United States could take part in a transaction involving an embargoed country.

The items that were exported from the United States to Cuba under Ericsson de Panama's scheme were repair and replacement items valued at approximately \$169,000, and were classified under Export Control Classification Numbers ("ECCN") 5A002 (controlled for National Security, Anti-Terrorism and Encryption reasons), 4A994, 5A991, 5B991 (controlled for Anti-Terrorism reasons), and designated EAR99.<sup>3</sup> Pursuant to Section 746.2 of the Regulations, a license was required to export these items from the United States to Cuba.

Specifically, Ericsson de Panama received items from its customer in Cuba, Empresa de Telecomunicaciones de Cuba, S.A., that needed repair. When Ericsson de Panama received the items from Cuba, it repackaged them to remove Cuba markings from the packaging and falsified paperwork associated with the items to make it appear to the Ericsson, Inc. repair center in the United States that the equipment belonged to a non-Cuban entity. Ericsson de Panama then shipped the equipment to Ericsson, Inc. in the United States for repair or replacement. Because of the false paperwork and other steps taken by Ericsson de Panama, Ericsson, Inc. was unaware that the items it was repairing or providing replacement parts for had originated in Cuba and were destined for Cuba. Ericsson, Inc. repaired or replaced the items and transshipped them through Ericsson de Panama in Panama to Cuba. In so doing, Ericsson de Panama committed 138 violations of Section 764.2(h) of the Regulations.

**Charges 139 - 261      15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting an Act Prohibited by the Regulations**

On or about January 19, 2004 through on or about February 28, 2006, Ericsson de Panama, caused, aided, or abetted acts prohibited by the Regulations. Specifically, Ericsson de Panama arranged for the transshipment of items described in greater detail in Charges 1-123, above, and subject to the Regulations, from Ericsson, Inc., a corporate affiliate in the United States, through Panama to Cuba without the required licenses. The transshipped items were valued at approximately \$151,000, classified under ECCNs 5A002 (controlled for National Security, Anti-Terrorism and Encryption reasons), 4A994,

5A991, 5B991 (controlled for Anti-Terrorism reasons), and designated EAR99. Specifically, Ericsson de Panama arranged for items belonging to its customer, Empresa de Telecomunicaciones de Cuba, S.A., and which had been repaired by Ericsson, Inc.'s repair center in the United States, to be transshipped by Ericsson, Inc. from the United States through Panama to Cuba. Pursuant to Section 746.2 of the Regulations, a license was required to export these items from the United States to Cuba. In so doing, Ericsson de Panama committed 123 violations of Section 764.2(b) of the Regulations.

**Charge 262                    15 C.F.R. § 764.2(a) – Unlicensed Reexport of  
Telecommunications Equipment to Cuba**

On one occasion on or about July 30, 2007, Ericsson de Panama engaged in conduct prohibited by the Regulations when it reexported telecommunications equipment subject to the Regulations, valued at \$478, and designated EAR99, from Panama to Cuba without the Department of Commerce license required by Section 746.2 of the Regulations. In so doing, Ericsson de Panama committed one violation of Section 764.2(a) of the Regulations.

WHEREAS, BIS and Ericsson de Panama have entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations, whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein; and

WHEREAS, I have approved of the terms of such Settlement Agreement;

IT IS THEREFORE ORDERED:

FIRST, Ericsson de Panama shall be assessed a civil penalty in the amount of \$1,753,000, the payment of which shall be made to the U.S. Department of Commerce within 30 days of the date of the Order.

SECOND, that, pursuant to the Debt Collection Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (2000)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice, and if payment is not made by the due date specified herein, Ericsson de Panama will be assessed, in addition to the full amount of the civil penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

THIRD Ericsson de Panama, in conjunction with the Trade Compliance Operations Group for its ultimate parent company and its ultimate parent company's other subsidiaries and affiliates, shall complete an external export compliance audit as set forth in this Paragraph. An unaffiliated third-party consultant with expertise in U.S. export control laws and regulations, including laws and regulations relating to the U.S. embargo of Cuba, shall conduct an audit of compliance with U.S. export control laws and regulations (including recordkeeping requirements). The audit shall cover any transactions that involve the export or reexport of items subject to U.S. export control laws and regulations to Cuba by or on behalf of Ericsson de Panama, its ultimate parent company, or any of its ultimate parent company's other subsidiaries or affiliates. The audit shall cover the period of January 1, 2012 through December 31, 2012, and shall be in substantial compliance with the EMS sample audit module, and shall include an assessment of compliance with U.S. export control laws and regulations by Ericsson de Panama, its ultimate parent company and any of its ultimate parent company's other subsidiaries and affiliates, with respect to transactions subject to such laws and regulations and involving Cuba. The EMS sample audit module is available on the BIS web site at [http://www.bis.doc.gov/complianceandenforcement/revised\\_emcp\\_audit.pdf](http://www.bis.doc.gov/complianceandenforcement/revised_emcp_audit.pdf). The results of the audit, including any relevant supporting materials, shall be due and shall be submitted by January 31, 2013, to the Department of Commerce, Bureau of Industry and Security, Office of Export Enforcement, Room 622, 525 South Griffin Street, Dallas, TX 75202 ("BIS Dallas Field Office"). In addition, where said audit identifies actual or potential violations of the Regulations, Ericsson de Panama and the Trade Compliance Operations Group shall promptly provide copies of the pertinent air

waybills and other export control documents and supporting documentation to the BIS Dallas Field Office.

FOURTH, that the full and timely payment of the civil penalty in accordance with the payment schedule set forth above and the completion and submission of the audit as set forth above are hereby made conditions to the granting, restoration, or continuing validity of any export license, license exception, permission, or privilege granted, or to be granted, to Ericsson de Panama. Accordingly, if Ericsson de Panama should fail to pay the civil penalty in a full and timely manner or complete and submit the audit, the undersigned may issue an Order denying all of Ericsson de Panama's export privileges under the Regulations for a period of one year from the date of failure to make such payment or to complete or submit the audit.

FIFTH, that the Proposed Charging Letter, the Settlement Agreement, and this Order shall be made available to the public.

This Order, which constitutes the final agency action in this matter, is effective immediately.

Assistant Secretary of Commerce  
for Export Enforcement

*Attention. Jorge Aguiar Nuñez - Head of Customer Unit North*

Dear Mr. Nuñez:

The Bureau of Industry and Security, U.S. Department of Commerce (“BIS”), has reason to believe that Ericsson de Panama S.A., of Panama City, Panama (“Ericsson de Panama”), committed 262 violations of the Export Administration Regulations (the “Regulations”),<sup>1</sup> which are issued under the authority of the Export Administration Act of 1979, as amended (the “Act”).<sup>2</sup> Specifically, BIS charges that Ericsson de Panama committed the following violations:

**Charges 1 - 138      15 C.F.R. § 764.2(h) – Evasion**

As further described in the attached Schedule of Violations, which is incorporated herein by reference, on 138 occasions between on or about January 7, 2004 through on or about December 11, 2006, Ericsson de Panama took action with the intent to evade the Regulations. On each of these occasions, Ericsson de Panama implemented a scheme that it had developed to bring about the export from the United States to Cuba of items subject to the Regulations. <sup>1</sup> The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2011). The violations charged occurred between 2004 and 2007. The Regulations governing the violations at issue are found in the 2004-2007 versions of the Code of Federal Regulations. *See* 15 C.F.R. Parts 730-774 (2004-2007). The 2011 Regulations govern the procedural aspects of this case.

<sup>2</sup> 50 U.S.C. app. §§ 2401- 2420 (2000). Since August 21, 2001 the Act has been in lapse. However, the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 12, 2010 (75 Fed. Reg. 50,681 (Aug. 16, 2010)), has continued the Regulations in effect under International Emergency Economic Powers Act (50 U.S.C. § 1701 *et seq.*).

The items that were exported from the United States to Cuba under Ericsson de Panama's scheme were repair and replacement items valued at approximately \$169,000, and were classified under Export Control Classification Numbers ("ECCN") 5A002 (controlled for National Security, Anti-Terrorism and Encryption reasons), 4A994, 5A991, 5B991 (controlled for Anti-Terrorism reasons), and designated EAR99.<sup>3</sup> Pursuant to Section 746.2 of the Regulations, a license was required to export these items from the United States to Cuba.

Specifically, Ericsson de Panama received items from its customer in Cuba, Empresa de Telecomunicaciones de Cuba, S.A., that needed repair. When Ericsson de Panama received the items from Cuba, it repackaged them to remove Cuba markings from the packaging and falsified paperwork associated with the items to make it appear to the Ericsson, Inc. repair center in the United States that the equipment belonged to a non-Cuban entity. Ericsson de Panama then shipped the equipment to Ericsson, Inc. in the United States for repair or replacement. Because of the false paperwork and other steps taken by Ericsson de Panama, Ericsson, Inc. was unaware that the items it was repairing or providing replacement parts for had originated in Cuba and were destined for Cuba. Ericsson, Inc. repaired or replaced the items and transshipped them through Ericsson de Panama in Panama to Cuba. In so doing, Ericsson de Panama committed 138 violations of Section 764.2(h) of the Regulations.

**Charges 139 - 261 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting an Act Prohibited by the Regulations**

As described in greater detail in the attached Schedule of Violations, which is incorporated herein by reference, on or about January 7, 2004 through on or about February 28, 2006, Ericsson de Panama, caused, aided, or abetted acts prohibited by the Regulations. Specifically, Ericsson de Panama arranged for the transshipment of items described in greater detail in Charges 1-123, above, and subject to the Regulations, from Ericsson, Inc., a corporate affiliate in the United States, through Panama to Cuba without the required licenses. The transshipped items were valued at approximately \$151,000, classified under ECCNs 5A002 (controlled for National Security, Anti-Terrorism and Encryption reasons), 4A994, 5A991, 5B991 (controlled for Anti-Terrorism reasons), and designated EAR99. Specifically, Ericsson de Panama arranged for items belonging to its customer, Empresa de Telecomunicaciones de Cuba, S.A., and which had been repaired by Ericsson, Inc.'s repair center in the United States, to be transshipped by Ericsson, Inc. from the United States through Panama to Cuba. Pursuant to Section 746.2 of the Regulations, a license was required to export these items from the United States to Cuba. In so doing, Ericsson de Panama committed 123 violations of Section 764.2(b) of the Regulations.

**Charge 262**                      **15 C.F.R. § 764.2(a) – Unlicensed Reexport of  
Telecommunications Equipment to Cuba**

As further described in the attached Schedule of Violations, which is incorporated herein by reference, on one occasion on or about July 30, 2007, Ericsson de Panama engaged in conduct prohibited by the Regulations when it reexported telecommunications equipment subject to the Regulations, valued at \$478, and designated EAR99, from Panama to Cuba without the Department of Commerce license required by Section 746.2 of the Regulations. In so doing, Ericsson de Panama committed one violation of Section 764.2(a) of the Regulations.

Accordingly, Ericsson de Panama is hereby notified that an administrative proceeding is instituted against Ericsson de Panama pursuant to Section 13(c) of the Act and Part 766 of the Regulations for the purpose of obtaining an order imposing administrative sanctions, including any or all of the following:

- The maximum civil penalty allowed by law of up to the greater of \$250,000 per violation, or twice the value of the transaction that is the basis of the violation;<sup>4</sup>
- Denial of export privileges; and/or
- Exclusion from practice before BIS.

If Ericsson de Panama fails to answer the charges contained in this letter within 30 days after being served with notice of issuance of this letter, that failure will be treated as a default. *See* 15 C.F.R. §§ 766.6 and 766.7 (2011). If Ericsson de Panama defaults, the Administrative Law Judge may find the charges alleged in this letter to be true without a hearing or further notice to Ericsson de Panama. The Under Secretary of Commerce for Industry and Security may then impose up to the maximum penalty based on the charge in this letter.

Ericsson de Panama is further notified that it is entitled to an agency hearing on the record if it files a written demand for one with its answer. *See* 15 C.F.R. § 766.6 (2011).
